

# DaVita is Special...

## Giving Back to Our Communities

## DaVita Way of Giving is back! How can you get involved?

We are excited to announce another year of giving back to our communities with the DaVita Way of Giving (DWOG) program. We are a community first, and a company second – and DWOG lets our teammates direct DaVita’s philanthropic giving to the causes and organizations they care about most in their communities.

As a team, clinical teammates may choose one nonprofit in their community to which DaVita will donate. The program runs from Sept. 1 to Oct. 31.

*What kinds of programs? Here’s a recent example!*

### Teammates Help Inspire Inner-City Youth Through After School Program

Seven DaVita clinics came together to support Compton Jr. Posse (CJP), a year-round after-school program for inner-city kids that uses equestrian activities to inspire youth to reach their personal, academic and career goals. The program is a powerful alternative to the pressure kids often feel to join gang and drug lifestyles.

Teammates have helped 3 generations to pursue their dreams such as going to college, joining the military and starting a business through CJP.
